

# THE CONSTRUCTION WORKFORCE PROJECT

The Construction Workforce Project (CWP) is a 501©3 advocacy organization whose partners are community and faith-based groups, public housing associations, industry leaders and other local stakeholders, who are driven to educate New York City constituents and other elected officials on the benefits of merit shop work for historically underrepresented multi-cultural communities in our region.

## **EXACTLY WHO WILL BE HARMED BY EXPANSION OF PREVAILING WAGE?**

Here's what you need to know about WHO works on New York's open /merit shop construction sites and WHO exactly will be put out of work if prevailing wage is expanded.

**On 130+ Private Major Projects  
throughout NYC / the Five Boroughs  
14,000 Workers = 95% Minority Workers**

### **Contact Us:**

125 Maiden Lane, Suite 503 New York, NY 10038
